FOR IMMEDIATE RELEASE

Need Summer Help for Your Business? Consider Henry Street Settlement's Summer Youth Employment Program

New York, NY (February 9, 2010) - Henry Street Settlement (HSS) is now recruiting worksites for the 2010 season of its Summer Youth Employment Program (SYEP).

Our agency is currently on-boarding new partners interested in employing our participants, aged 14 to 24, from July 1st until August 15th with participants between the ages of 14 and 24.

As a participating work-site, you will be staffed with bright enthusiastic young men and women eager to garner as much knowledge and experience as they possibly can. These summer positions are an invaluable stage in the development of our adolescents as they prepare themselves for a professional environment and obtain vital job related skills. You and your staff will not only serve in the role of mentor for tomorrow's leaders but will also receive the tangible benefits of having a supplemental summer workforce **with no payroll obligations.**

Past HSS worksites have varied from small businesses and non-profits to national corporations with positions such as: clerical assistants, sales associates, and maintenance professionals. Our seasoned Job Development team is happy to provide consultations on how to efficiently integrate SYEP participants into your unique culture and organizational structure.

With partnerships in all five boroughs, Henry Street's reach extends well beyond its Lower East Side of Manhattan neighborhood. Offering youth employment and work readiness to a kaleidoscope of youth and adolescents, the agency is well versed in not only providing the needs of their workforce but their worksites as well.

Participant applications will be accepted starting, April 1, 2010 online at www.nyc.gov/dycd.
